Art Unit: 2625

***Response to Amendment***

1. Applicant's amendment filed on 12/23/02 (Paper No. 13/C) has been entered.

In response to applicant's amendment, the art rejections have been withdrawn.

Claims 3-4 and 12-13 are canceled. Claims 28-31 are added new.

***Allowable Subject Matter***

2. The following is an examiner's statement of reasons for allowance:

Claims 1-2, 5-11, 14-31 are allowed.

Regarding independent claims 1, 8-10, 17-18, the prior art on record fails to teach or suggest, alone or in combination, for an image processing comprising, among other things, a rendering means for performing an action of applying a stipulated pixel-unit operation to the source image data stored in the first storage means and rendering the data as destination image data in the second storage means in units of polygons repeatedly until a stipulated arithmetic result is obtained, and the specification means specifies as the operation mode either a first mode wherein the source image data is added to the destination image data, or a second mode wherein the source image data is subtracted from the destination image data.

Regarding independent claims 19 and 26-27, the prior art on record fails to teach or suggest, alone or in combination, for an image processing comprising, among other things, a first rendering step wherein one portion of the operations among some stipulated pixel-unit operations

Art Unit: 2625

are performed on the source image data stored in the first storage means and the data is rendered as destination image data in the second storage means in units of polygons, and a second rendering step wherein another portion of the operations among some stipulated pixel-unit operations are performed on the source image data stored in the first storage means, this data is added to or subtracted from the image data already rendered in the first rendering step and the data is rendered as destination image data in the second storage means in units of polygons.

3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
